The TFTC is a 15 hour course in the coaching of Track & Field. Certification by the USTFCCCA is granted for successfully completing the course and evaluation. The curriculum covers all key aspects of technical coaching. Each section is illustrated with pertinent, specific, animated video created specifically for this course to enhance clarity and understanding. Topics included in the course include workout planning, administration of training, techniques, and teaching progressions for all commonly contested Track & Field events.

Track & Field Academy

The USTFCCCA's Track and Field Academy is a program developed to provide professional improvement opportunities for all Track & Field and Cross Country Coaches. The Academy accomplishes this mission by providing professional certification programs and ongoing educational experiences covering the philosophical, technical and managerial aspects of the profession.

USTFCCCA

The U.S. Track & Field and Cross Country Coaches Association is a non-profit professional organization of Track & Field and Cross Country coaches of multiple levels. The USTFCCCA represents over 8,000 coaches working in the NCAA, NAIA, and high schools nationwide. The USTFCCCA serves as an advocate and lobbyist for coaches and their interests, and provides a leadership structure to assist the needs of a diverse membership.
