

Indoor Track
Pre – Season Reminders

Coaches

Please review the following information carefully.

Team Manager due dates:

Tuesday, Dec 11. Rosters due to me.

Teams of 40 or fewer athletes should send all names. Teams of more than 40 should only include names for athletes who are most likely to compete in varsity dual meets. (If you need to modify this list as the season goes on, that will not be a problem.) (If you have already set up your Team Manager program and have included more than 40 names, do not delete the extra kids!!!! Mark them as inactive and send me only 40 names. If you are not sure how to make a name inactive, call me.)

6 PM Saturday Dec. 15; Entries for CCRI / RITCA Invitational are due.

6 PM Tuesday Jan 29; Entries for Division meets are due

6 PM Monday Feb. 4; Class Meet Entries are due

6 PM Friday Feb 8; Frosh State Meet Entries are due

Noon Monday Feb 11; State Meet Entries are due (**Note time!!!!**)

6 PM Wednesday Feb 13 ; JV State Entries are due

Event files will go out to you approximately 10 days prior to your due date. If you do not get them, call me right away. Reminder that your version of Team Manager can handle only 3 meets at a time. Once a meet is done be sure to delete it from your program.

RIIL Rosters – These are due to the RIIL prior to your first meet. Your AD will assist you with this. Your RIIL roster is a separate issue from the roster you send me from Team Manager. Be sure your AD adjusts your RIIL roster as you add kids during the season. You are also reminded that for an athlete to be eligible for at-large consideration for the Division meet, the athlete's name must appear on your RIIL roster no later than **Fri. Jan 4.**
